

Healing Little Hearts in Bolivia

January 8-15, 2022

10 Children Treated

Hospital del Nino Dr. Ovidio Aliaga Uria
La Paz, Bolivia

Gift of Life International Trip Report

ROTARIANS IN ACTION

Gift of Life International kicked off 2022 with a return to La Paz, Bolivia. Pandemic restrictions had temporarily halted our trips to La Paz but we are excited to be back to developing this new Gift of Life Core Program for the children and healthcare professionals of Bolivia. Thanks to Rotary Global Grant GG2010489 which was supported by the global network of Rotary and Gift of Life and The Rotary Foundation, 10 precious Bolivian children had their hearts healed in January 2022. The Gift of Life visiting team worked collaboratively with the Bolivian healthcare professionals as lives were saved, skills transferred and strategies for development were further developed. We are grateful to Medtronic for their generous product donations which help to maximize our impact in Bolivia and throughout the world.
